Meet the Princesses

Once upon a time, there lived nine princesses. Some live in enchanted lands or mysterious cities, others live in splendid castles or even underwater. Whether it's finding a charming prince or having amazing adventures, all the princesses know that dreams really do come true—if you believe.

Mulan

Brave Mulan would do anything to make her family proud—even pretend to be a man and fight in a war!

Cinderella

Cinderella takes orders from her cruel stepmother and stepsisters morning, noon, and night. But she dreams of the day when she will find happiness.

Glass Slipper

All the maidens across the land want the glass slipper to be the perfect fit, but it only fits one—Cinderella!

Sleeping Beauty

Kind Aurora loves to pick pretty flowers and sing with the birds. She dreams of one day meeting a handsome prince.

Cursed

Only True Love's Kiss can awaken Aurora from the sleeping spell that the wicked fairy Maleficent has placed on her.

Belle

Belle loves to lose herself in a good book and dreams of adventure. She's never imagined meeting a Beast though!

Snow White

Cheery Snow White is forced to be a servant to her wicked stepmother, the Queen. But Snow White believes that one day a charming prince will rescue her.

Bad Apple

A juicy apple is never just a juicy apple with the wicked Queen around!

Ariel

Mermaid Ariel dreams of being human. She even surrounds herself with human objects, from forks to watches.

Jasmine

Adventurous Jasmine dreams of all the exciting adventures she could have if she was allowed outside the palace walls.

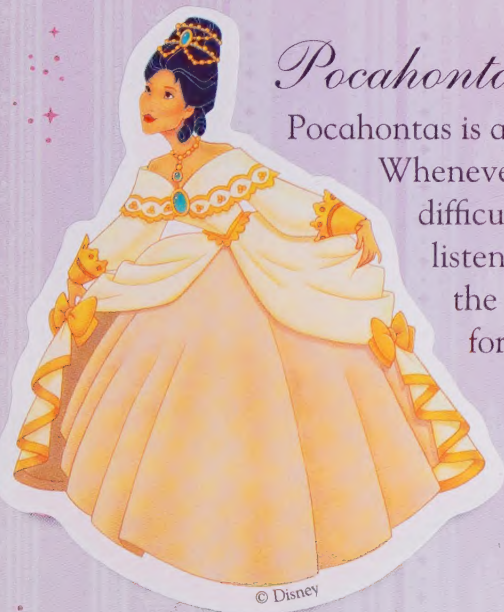

Magic Lamp

This is no ordinary lamp. A Genie lives inside and will grant three wishes to whoever rubs it—but choose your wishes carefully!

Pocahontas

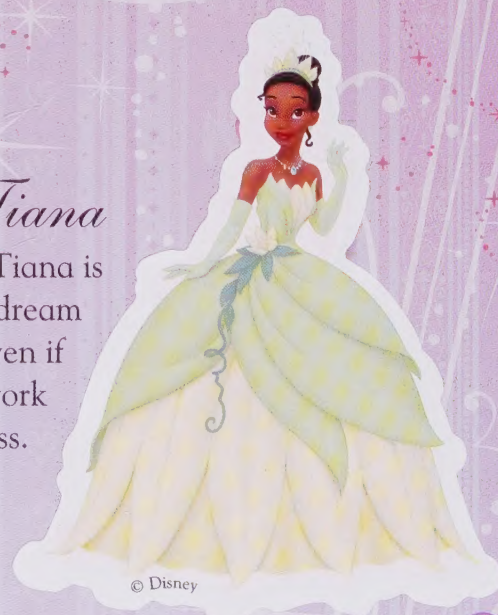

Pocahontas is a free spirit.

Whenever she has to make a difficult decision, she just listens to the spirits in the sky and water for guidance.

Tiana

Hardworking Tiana is determined to fulfil her dream of owning a restaurant, even if it means she has to work double shifts as a waitress.

Frogs

Sometimes to find a prince, you have to kiss a few frogs along the way!

Friends and Family

Even princesses need a little help from their family and friends every once in a while. Luckily for the princesses, there is always someone willing to lend a helping hand or wave a magic wand to make their dreams come true.

Fairy Godmother

The forgetful Fairy Godmother waves her magic wand (once she's found it!) and transforms Cinderella from scruffy servant to pretty princess.

The Seven Dwarfs

Snow White is a very lucky princess. She has not one, but seven Dwarfs to call friends. They would do anything for Snow White—even wash before supper!

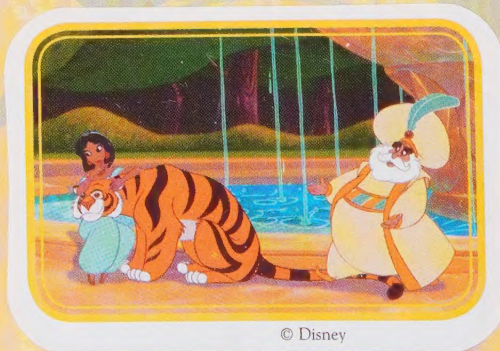

Jaq and Gus

These two mighty mice might be small but no cat is too big and no stepsister too scary when it comes to helping their friend "Cinderelly."

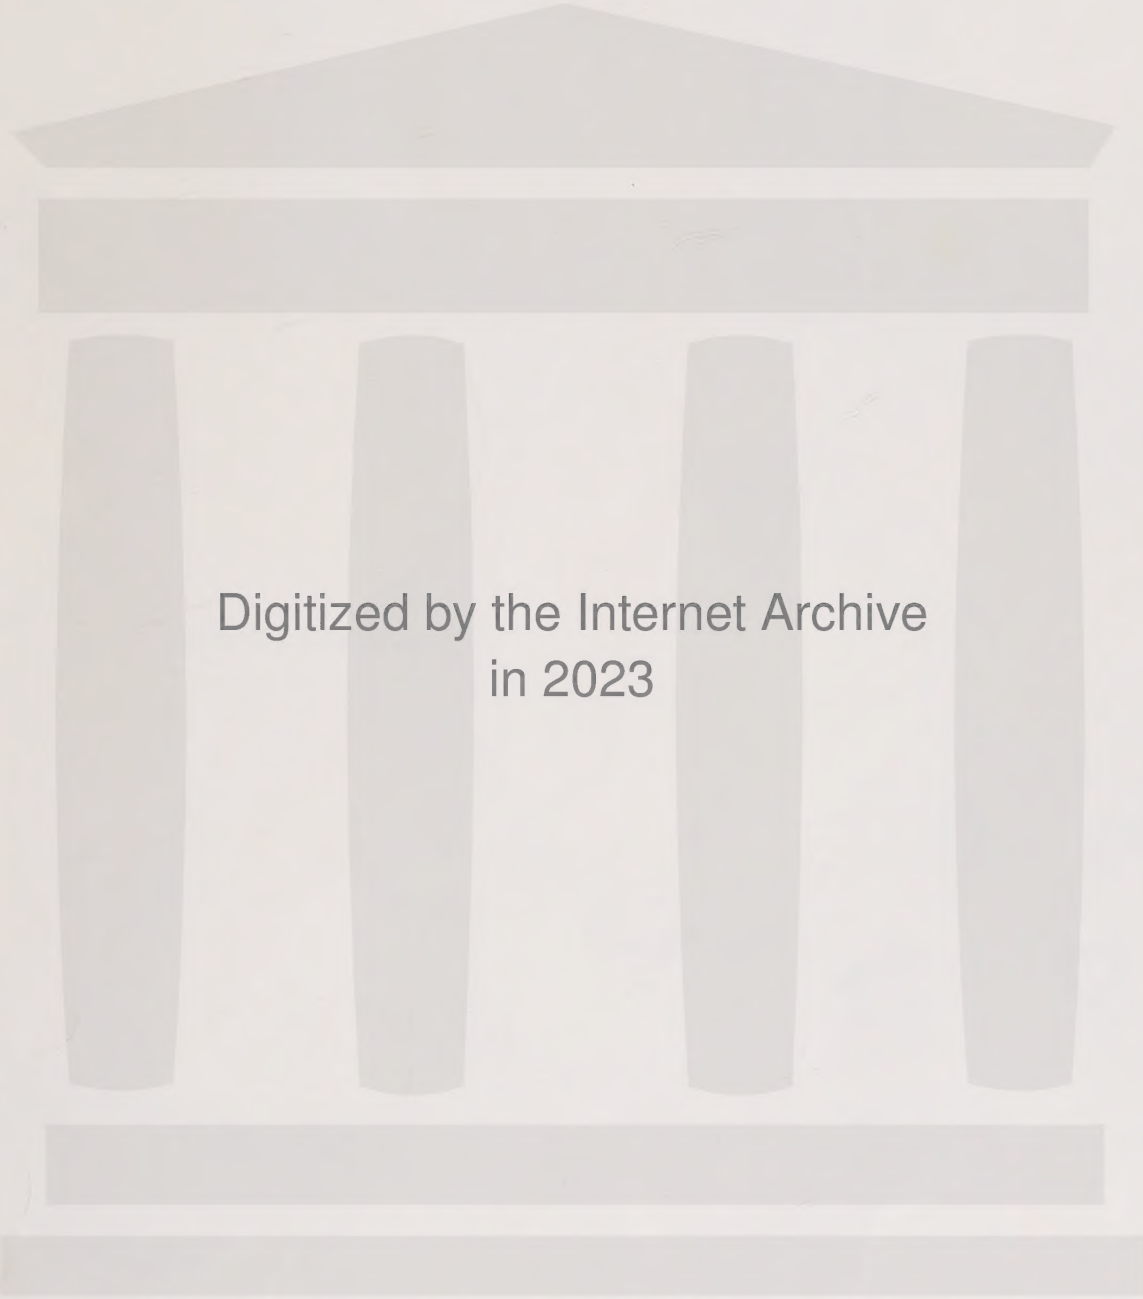

Rajah and Sultan

Loyal Rajah and Jasmine's father, the Sultan, are Jasmine's only friends. The caring Sultan hopes that she will find a suitor to look after her soon.

Genie

Aladdin's never had a friend quite like the Genie! He can grant Aladdin three wishes, but he can't make Jasmine fall in love with him. Aladdin will have to do that for himself.

Meeko and Flit

Magical Servants

Bright spark Lumiere always sheds light on any situation. He gives Belle a warm welcome when she arrives at the Beast's castle.

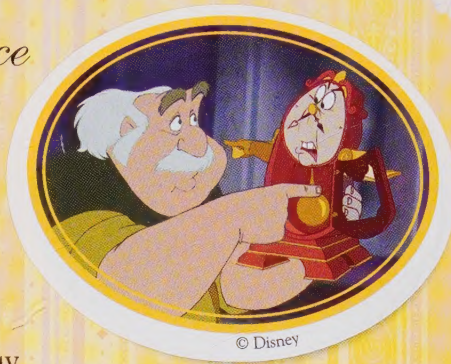

Mushu and Cri-Kee

Master planner Mushu and clever cricket Cri-Kee always look out for Mulan.

Maurice

Belle's inventor father is always working on his next gadget. Most of them don't work, but loyal Belle believes that he will be famous one day.

Flora, Fauna, and Merryweather

These three good fairies would do anything to make Aurora's dreams come true. Just don't ask them to bake a cake!

Ray

There's nothing that friendly firefly Ray doesn't know about the swampy bayou. He leads Tiana to safety, with a little help from his light.

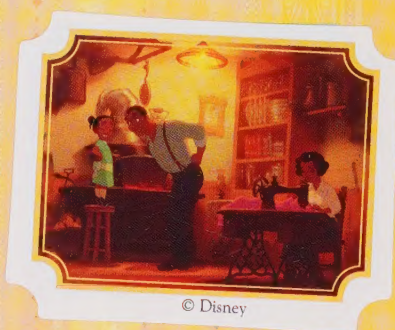

Sebastian

Court composer Sebastian is not as crabby as he looks! He has lots of wise words for adventurous Ariel.

James and Eudora

Tiana's parents, James and Eudora, teach her that dreams really do come true—with hard work and determination.

Flounder

Flounder the fish always tries to keep up with Ariel on her adventures, even though he is easily scared and sometimes gets "cold fins."

Louis

Trumpet-playing alligator Louis might have sharp teeth, but he never snaps at his froggy friends.

Vile Villains

The Queen

The cruel Queen will stop at nothing to make sure that she, and not her beautiful stepdaughter Snow White, is the fairest in all the land.

Cast your eyes over these dastardly villains, but beware! From magic spells and powerful potions to sneaky tricks and hocus-pocus, these vile villains will do anything to make sure the princesses don't live happily ever after.

Ursula

Don't be fooled by Ursula's wide smile. This sneaky sea witch might seem to lend a helping tentacle (or six) to Ariel but she will tread on anyone's fins to become the Queen of Atlantica.

Ratcliffe and Wiggins

Ratcliffe (with a little help from his servant, Wiggins) is determined to destroy Pocahontas's village to get what he wants: gold, and lots of it.

Flotsam and Jetsam

Ursula's "poopsies" are sneaky eel spies. They make it their business to know everybody else's business in Atlantica.

Jafar and Iago

Jafar and his parrot, Iago, want to be the most powerful in all of Agrabah. Jafar's hypnotizing powers are so strong, they even convince the Sultan that he is the perfect match for Jasmine!
